SOCIAL EVENTS

Contrasts were never more sharply defined than yesterday when one stepped from the grayness of a winter landscape into the rosy glow and warmth of Mrs. Merz's exquisitely appointed home.

The radiance of unnumbered lights, the perfume of flowers rioting in tropical profusion, the greetings and smiles of handsome women dispelled the outer gloom as if by enchantment.

To welcome the coming and speed the parting guests the charming hostess was gracefully assisted by Mrs. Maurice Whel of Philadelphia, the attractive sister of Mrs. Merz and the honor-guest of the occasion.

The delightful hospitalities were further accentuated by Mesdames Louis Merz, Jackson Taulbee, DeWitt Franklin, George Barbour, Charles Hopper, Barbour Russell and Miss Mary Alter Barbour.

The dining-room was vivid with the rich scarlet of the poinsettia, toned by softening green, which made the "touches of sweet harmony" and formed an artistic setting for the elaborate menu that blended so perfectly the dainty with the delicious.

Department Commander Bausmith to Be Here Tomorrow Night

W. T. Bausmith, Department Commander of Kentucky G. A. R., will visit Joseph Helser Post No. 13 Saturday night. It is not often that a Post is honored with the presence of such a distinguished guest, and the members certainly ought to appreciate the compliment by all the old Veterans turning out and giving him a rousing reception.

The regular meeting will be very short in order to give all old soldiers an opportunity to meet the Department Commander and shake his hand. Turn out, boys, and give him a rousing reception.

A MAYSVILLE MAN'S

Domestic Infelicity Aired in Court in New York City

New York American and Journal.

"There is apparently little danger of your becoming a public charge, maliam," remarked Magistrate Barlow yesterday to Mrs. Ida H. Honan, a young woman, dressed in the latest mode, and admitted to be a part owner of the Lorraine apartment house at Fifth avenue and Forty-fifth street and a granddaughter of Matthew Byrnes, the late millionaire builder.

Mrs. Honan appeared against her husband, arrested the night before on a charge of having failed to support her. Dr. William Francis Honan, the husband, was represented by Bartow S. Weeks, and stated that he sent from \$100 to \$150 to his wife each month. Dr. Honan lives in the Hotel Regent at Seventieth street and Broadway, and has been separated from his wife for nearly a year.

Mrs. Honan said that she had been married seven years and had always supported herself. For the past few years she said she had received practically nothing from her husband. She admitted that he had been paying her \$100 a month, but this, she said, barely served to pay off a debt which they had contracted early in their married life. She had indorsed notes of her husband for large amounts, she said, and only the generosity of the creditor saved her personal income from being attached.

This income, she admitted, amounted to \$250 a month.

Bartow S. Weeks, for Dr. Honan, said that his client was willing to provide a home for Mrs. Honan, but that she would not live with him. Mrs. Honan admitted that her husband had offered her a home, but said that she was afraid to live with him, as she feared he would do her personal harm. She declared that on one occasion he had threatened to "cut her heart out" with a razor.

The case was dismissed.

Last night Mrs. Honan said to a reporter that she had not lived with her husband since September, 1903.

"Dr. Honan was a poor man when I married him. We went in debt rapidly the first few years and each year I had to indorse notes of \$1,000 or \$1,500 in order to pay our expenses. Then my husband began to ill-treat me. Once he threatened me with a hairpin, once with a paper cutter and once with a razor. I will never live with him again."

BE REASONABLE, BOYS

The Center of a Busy City is Not the Place For Coasting

Coasting is the joy of a boy's life, and an exhilarating and healthful sport at that, too.

No one would deny them the pleasure there is in it.

There is reason in all things, however, and there is no good reason why they will persist after being warned repeatedly by the police in using Market street as a track, when by passing on out Fourth they would avoid the dangers of running into passing vehicles and streetcars in the much traveled center of the city and thereby taking chances of being killed or maimed for life, as well as endangering the life and limb of pedestrians crossing from one to the other side of the street.

Wednesday evening Miss Dorsey was severely hurt by being struck and knocked down, and the same accident befell Mrs. Harry Barkley and Miss Watson yesterday afternoon as they were passing from the East to the West side of Market.

Fortunately neither of the two ladies were seriously injured. Stop it, boys.

Saturday is Passion Day. Take your vouchers to G. A. R. Hall, Cox Building; they will be properly made out and mailed. The proceeds go into the Post Treasury.

THE LEDGER has been asked to request the streetcar management to arrange a car schedule for the accommodation of East Enders attending the big meeting at night.

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates Both Husband and Children—How Thousands of Mothers Have Been Saved From Nervous Prostration and Made Strong and Well.

Mrs. Chester Curry Mrs. Chas. F. Brown

A nervous, irritable mother, often on the verge of hysterics, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing children involves; it is impossible for her to do anything calmly.

The ills of women act like a firebrand upon the nerves, consequently nine-tenths of the nervous prostration, nervous dependency, "the blues," sleeplessness, and nervous irritability of women arise from some derangement of the female organism.

Do you experience fits of depression with restlessness, alternating with extreme irritability? Are your spirits easily affected, so that one minute you laugh, and the next minute you feel like crying?

Do you feel something like a ball rising in your throat and threatening to choke you; all the senses perverted, morbidly sensitive to light and sound; pain in the ovaries, and especially between the shoulders; bearing down pains; nervous dyspepsia, and almost continually cross and snappy?

If so, your nerves are in a shattered condition, and you are threatened with nervous prostration.

Proof is monumental that nothing in the world is better for nervous prostration than Lydia E. Pinkham's Vegetable Compound; thousands and thousands of women testify to this fact.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Mrs. Chester Curry, Leader of the Ladies' Symphony Orchestra, 43 Saratoga Street, East Boston, Mass., writes:

"For eight years I was troubled with extreme nervousness and hysteria, brought on by irregularities. I could neither enjoy life nor sleep nights; I was very irritable, nervous and dependent. Lydia E. Pinkham's Vegetable Compound was recommended and proved to be the only remedy that helped me. I have daily improved in health until I am now strong and well, and all nervousness has disappeared."

Mrs. Charles F. Brown, Vice-President of the Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

"I suffered through nine years of miserable existence, worn out with pain and nervousness, until it seemed as though I should fly. I then noticed a statement of a woman troubled as I was, and the wonderful results she derived from Lydia E. Pinkham's Vegetable Compound, I decided to try it. I did so, and at the end of three months I was a different woman. My nervousness was all gone. I was no longer irritable, and my husband fell in love with me all over again."

Women should remember that Lydia E. Pinkham's Vegetable Compound is the medicine that holds the record for the greatest number of actual cures of female ills, and take no substitute.

Free Advice to Women.

Mrs. Pinkham, Lynn, Mass., invites all sick women to write to her for advice. Mrs. Pinkham's vast experience with female troubles enables her to tell you just what is best for you, and she will charge you nothing for her advice.

SERVICES APPRECIATED

Handsome Increase in the Salary of Rev. E. L. Powell

As a token of their appreciation of his distinguished services, the Board of Officers of the First Christian Church of Louisville has increased the salary of the Pastor, the Rev. Dr. E. L. Powell, from \$3,000 to \$5,000 a year.

Dr. Powell's excellent work has made of this Church one of the largest in the denomination. For some time the raising of his salary has been agitated by the people of the Church, and it has met with the unanimous approval of the officers.

Dr. Powell, who was formerly Pastor of the Christian Church in this city, has been Pastor of the Louisville Church a little more than seventeen years.

The City of Louisville is scheduled to leave Cincinnati February 28th on a Mardi Gras trip.

The river is frozen good and strong, and with the zero weather is likely to remain for some time.

The Pittsburgh and Cincinnati Packet Company will not send out a Mardi Gras boat this year.

Shore ice at Cincinnati is piled 25 feet high in some places, caused by the steady decline of the river.

Captain William Bay, the wealthiest steamboatman in the Ohio valley, is going to build a fast sidewheel boat for the Cincinnati and Huntington trade.

Mrs. Mary B. Green, wife of Captain Gordon Green, is not the only woman pilot who has piloted the waters of the Ohio holding papers of a Master Pilot.

Superintendent Charles J. Menges and Captain T. J. Hatfield will test the feasibility of gorging the Ohio river at Conoy Island, thereby preventing the Madison (Ind.) gorge from being added to and extending up into the Cincinnati harbor. Rivermen visited the narrow channel at Conoy Island on the Relief Wednesday, and if the plan can be carried out harbor boats will be put to work, causing coming big ice flows to jam at the dyke. Ice there is already piled high and extends two-thirds of the way across the river. The success of the scheme will give Cincinnati a clear harbor.

Skin disease prescription

Eczema, Salt Rheum, Pimples, Itch, Lymphitis, all eruptions, cures in minutes and permanent relief. The most sensitive chemical ever used. A clean, pleasant liquid, not greasy, externally applied—rubbed on—over the parts. Instantly stops all irritation. Soon clears out absolutely all affected conditions.

(This is a prescription given only by the D. D. D. prescription.)

(Case of daughter of Mr. Moss Hartmann, permanently cured of a bad skin disease after two bottles only of this D. D. D. prescription.)

We vouch for these facts.

They have been proven to us beyond the possibility of doubt.

J. JAS. WOOD & SON, Druggists, Maysville, Ky.

Some weeks ago the astonishing record of this prescription—proven to me by independent analysis—induced me to give my unqualified recommendation to the public. Since then D. D. D. has cured so many who obtained it from me that its record with me has been fully equal to its previous history. I have not seen a single instance of disappointment. It seems to do the work every time. In nine cases out of ten, mild eruptions on the skin are skin diseases—not blood diseases. Many purchasers formerly miserable, thinking they had a bad blood disease, have found it was merely a skin affection and have cleared it all away with this prescription.

Among all the known reliable specific medical influences for different ailments I know of very few discoveries so certain in effect as this D. D. D. prescription in its quick conquest of skin diseases of all kinds.

A FEW CURES OF WELL-KNOWN PARTIES.

Chicago, April 4, 1905.
"About six months ago my daughter began getting sores all over her body and was gradually getting worse. Nothing seemed to do her any good, although we tried different medicines but without success. She would scratch continually and was a sight to look at. I was asked to try a bottle of your D. D. D. remedy, which I did, and to my surprise it worked wonders on her second day, and before the bottle was empty she was almost cured. The second bottle completely cured her. I will highly recommend your remedy to anyone suffering with skin disease. The fact is I cannot say enough for it."
Wishing you every success I am, yours very truly,
F. KLINGHART, 5011 Fillmore Street.

"I am glad to say that the bottle of medicine furnished by you in July last has been of great benefit to me. I am now free from the annoying heretofore suffered from Keweenaw on my ankles. I have also cured a friend of mine who had two or three sores on his face."
W. J. ROYCE, 101 St. Paul, Minn.
Vice-President and General Manager of Great Northern Express Co.

"That wonderful discovery, the D. D. D. remedy, cured me of a bad case of Eczema of long standing, which the physicians could not cure. I heartily recommend it to all persons afflicted with any kind of skin disease."
C. E. WOODWARD,
(Ex-Mayor), Cairo, Ill.

The preparation is being used by most of the skin specialists. It is compounded for druggists solely by the D. D. D. Company, 90 Dearborn Street, Chicago. It is utilized by every general family physician who has taken the trouble to investigate the work it is accomplishing.

It is used in the Cook County Hospital, Chicago. It will clear up any parasitic break in the skin in from 3 days to 60 days' time. If you have a skin disease visit the above agents and see proofs that will make you a happier human being. It is 50 cents a bottle—already made up in sealed bottles—with authentic label on each. The above concern will fill mail orders on receipt of price.
